OPEN CALL FOR THE PROVISION OF ONE TEACHER VACANCIES FOR LECTURER FULL-TIME POSITION AT TECNOCAMPUS ADVANCED COLLEGE OF SOCIAL AND BUSINESS SCIENCES

The call opens to cover 1 lecturer full-time position (24 ECTS) in the following fields of knowledge:

- **Logistics**

FUNCTIONS TO DEVELOP:

- Design and teaching courses in the fields of knowledge mentioned.
- Preparation of the syllabus of various subjects in the fields of knowledge described.
- Proper functions of the Teaching and Research staff of *TecnoCampus.*
- Participation in the proper institutional tasks as a lecturer.

INDISPENSABLE PREREQUISITES:

- To hold a doctorate degree (you must provide the doctoral degree or the payment receipt of the title).
- To have a report likely to be certified by a university quality agency (AQU / ANECA) or to be certified within a maximum period of three years from the time the contract is signed.
- Applicants must possess a level of Catalan that ensures the competence of teachers to participate with appropriateness and correction in communicative situations that academic tasks require, so that language rights of students are guaranteed, as provided by the *Decret 128 / 2010* of September 14th on the accreditation of linguistic knowledge of teachers of the university system of Catalonia. When the contract is signed, the chosen candidate may choose between the accreditation of the knowledge or the postponement of this accreditation for a two years period.

ASPECTS TO BE VALUED IN THE CV:

The CV of candidates that meet the prerequisites will be assessed, namely the candidates admitted.

- University teaching experience in subjects in the fields of knowledge required (must be clearly specified in the CV and it will be accredited by a certification issued by the university where the teaching was carried out).
- Accredited Research (must be clearly specified in the CV: Letter of recommendation from a recognized researcher. JCR published research. Papers send in a research journal JCR)
- Participation in teaching innovation projects (must be clearly specified in the CV).
- English language proficiency
- Other merits. The selection committee may consider other elements of the curriculum a contribution to the candidate's profile.

PRESENTATION AND DEFENSE OF THE POSITION:

Candidates that obtain over 40 points in the evaluation of the CV and the prior relationship with TecnoCampus, will be called to present and defense the position.

During the presentation and defense of the vacancy to the Selection Committee the candidate is expected to:

- Introduce his academic, scientific and professional career (10 minutes).
- Exhibit the development regarding Logistics as a part of the studies of the *Tecnocampus Advanced College of Social and Business Sciences*. (20 minutes)
- Answer the questions put by the members of the Selection Committee.

LABOR ASPECTS:

- Employment as a permanent full-time teacher 24 ECTS.
- Morning and afternoon shifts
- Incorporation as of September 1st, 2019
