Note: In order to successfully complete the course, a student must have complied with UPF Languages' attendance policy.

The final exam consists of 5 parts which evaluate all four fundamental language skills:

PART	Section	Approximate Length	Mark

Part 5	Oral Expression	10mins	20	

- To **pass the final exam** the student must obtain a minimum of 50% and obtain a minimum of 50% on the combined mark corresponding to the two expression sections (written expression and spoken expression).
- On assessing the student's linguistic competence in written and spoken expression, fluency, accuracy and both syntactic and lexical complexity will be taken into account. These elements will be evaluated according to the marking criteria corresponding to the language and level.
- In the event of a student failing the final exam and/or obtaining a global mark for the course of less than 5 and/or not having complied with the attendance policy, he/she will have to retake the whole final exam on the date specified. In this case, the continuous assessment mark (40% of the final mark for the course) will be maintained.
- At the end of the course, after the publication of provisional marks and before the publication of definitive marks, the students will have the opportunity to attend a **final exam review** together with the course teacher or coordinator.

The **continuous assessment mark** represents 40% of the **final mark** for the subject and is disturbed as follows:

- Work out of class: Our teaching methodology emphasizes regular work on the part of the student. This means that alongside the tasks which for part of the continuous assessment, students will be required to carry out 3 hours a week of independent learning. This work will be guided by the teacher and will make extensive use of the Moodle platform.

The grading system conforms to the new European regulations (two royal decrees on the European Supplement to a degree qualification, the European Credit Transfer System and the Bologna marking system).

FINAL COURSE GRADE

(60% final exam + 40% continuous assessment)

QUALITATIVE CORRESPONDENCE	
 The student will fail the course in any of the following cases: When they achieve an overall mark of 5 or less for the subject. When they achieve less than 50% on the combined score for the two productive skills sections of the final exam (oral expression and written expression) When they achieve less than 50 out of 100 points on the final exam. In this case, the continuous assessment mark (40% of the final mark for the subject) is carried over.

Attendance Policy

As language learning is a cumulative process which requires continued practice in order to assimilate knowledge and skills, class attendance is compulsory. In order to be able to pass the subject in the first sit exam period, the student must have **attended a minimum of 80%** of the class.

In exceptional cases, and for justified reasons authorized by the attendance committee, a non-attendance of more than 20% of the class is permitted providing that:

- 1. the absences are not greater than 40% of the course and
- 2. the student has established with their teacher a parallel system which allows them to continue with the course in a way which guarantees the learning process and permits appropriate assessment.

The student must submit documentation justifying absences by the end of the third term and according to the deadlines set by the attendance committee.
