

Welcome to TecnoCampus!

This is a guide on how to use eCampus

eCampus is the official e-Learning Platform of TecnoCampus that will let you access your courses, homework, class materials or allow you to contact your teachers or classmates.

You can access eCampus using the following link: <https://ecampus.tecnocampus.cat/login>

The screenshot shows a web browser window with the address bar displaying "ecampus.tecnocampus.cat/login". The main content area features a white login form titled "eCampus". The form includes two input fields: "Usuari" (User) and "Contrasenya" (Password). Below the fields, there are two lines of text: "Si has oblidat la contrasenya pots reestablir-la a través d'aquest [enllaç](#)" and "Si tens algun altre problema pots enviar un correu a helpdesk@tecnocampus.cat". A black button labeled "Accedir" is positioned below the text. At the bottom of the page, there is a footer containing the TecnoCampus logo, the UPF logo, and the text "Centres universitaris adscrits a la" above "Universitat Pompeu Fabra Barcelona".

The first thing you'll have to do is log in with your **username** and **password**.

These will be sent to you by email.

For you to know...

In Catalan usuari means user and, contrasenya means password! ;)
